Public Notice

It has come to the notice of Rabindranath Thakur Vishwavidyalaya, Hojai, that certain false, misleading, and defamatory allegations concerning the Vice-Chancellor and the University are being circulated through social media and other electronic platforms by third parties who have no connection with the University or its development.

The matter was considered at the 24th meeting of the Executive Council, convened on 12 October 2026. After detailed deliberation, the Executive Council expressed serious concern over such misleading media reports and social-media circulations, which appear intended to defame the Vice-Chancellor and tarnish the reputation and integrity of the University.

The Executive Council also took serious note of reports that an individual having no association with the University has been contacting Executive Council members through telephone calls and WhatsApp, circulating self-created or unverified documents, and making baseless allegations. Such acts appear intended to create disturbance, exert undue pressure, and influence the ongoing departmental proceedings against an officer of the University, which are being conducted in accordance with the applicable Service Rules and University guidelines, rules, and procedures.

The Executive Council unanimously condemned these activities in the strongest terms. It cautioned that the dissemination of false, baseless, distorted, or defamatory content against the University, its officers, or its members may attract appropriate civil and criminal legal action. The University reserves its right to initiate such legal proceedings against persons responsible for publishing, circulating, or abetting such content.

The public, students, staff, and other stakeholders are advised not to be misguided by such unverified posts, messages, or documents and to rely only on official communications issued by the University through its authorized channels.

This notice is issued in pursuance of the resolution adopted by the Executive Council in its 24th meeting held on 12 October 2026, vide Resolution No. RTV/EC/24/04(d)/12.10.2026
