(“DAY SHIFT” & “MORNING SHIFT”)

BACHELOR OF ARTS

This is a general information for all candidates seeking admission in the **ARTS stream**, for the academic session 2024–2025.

The Rabindranath Tagore University maintains a uniform policy for enrolling students for the DAY and MORNING shifts of the Bachelor of Arts (B.A.) programme. According to the uniform policy, students admitted in the B.A. programme will be screened into the DAY and MORNING shifts based on the marks they secured in the concerned subjects in the HS final examination, in which the MAJOR is offered.

A merit list of admitted candidates will be prepared by the HoDs of each Academic Departments, on the basis of the marks secured in the HS Final Examination, in the concerned subject, in which major is offered. The top 50 students will be enrolled for the DAY shift classes and the remaining 20 students will be enrolled in the morning shift classes. In case the two students have the same mark then the total marks secured in the HS Final Examination will be decisive.

This has the due approval of hon'ble Vice Chancellor.
